

Calendario de Actividades de Orbita

You're going to have fun with us, don't miss them!
We will only do these when 60% of our students are able to participate.

These activities are for Feb, Apr, Jun, Aug, Oct, and Dec.

- When any activity is canceled because the weather or we have less than 5 students, we will play poker, cribbage, rummy or badminton at the school. (We can also play these games on Tue. and Thu.)
- Some activities and movies can be replaced for others. It depends on each specific situation.
